Message from Mr Turtle

We are proud at High Firs that we recognise both personal and academic achievements and one of my favourite parts of the school week is our Celebration Assembly which is held on Friday mornings. This is a lovely opportunity to share in the learning that the children have been undertaking across the school and to recognise the achievements of particular children over the past few days. We also announce our House Points totals for the week (always a strong competition!) and our Attendance figures, with the awarding of "Register Rabbit". Well done to all our children who have received a mention so far this year.
