

| HIGH FIRS PRIMARY SCHOOL PE PREMIUM SPENDING OUTCOMES 2018-19 £18,000 | | | |
|--|--|------------------------------|--|
| School focus | Actions to Achieve | Proposed spend for 2018/19 | Outcomes |
| Use specialist teachers to work alongside our own teachers to engage the children in a variety of physical activities. In doing so, we also want to increase the confidence, knowledge and skills of all staff in teaching PE and sport. | Staff to teach alongside specialist teachers, engaging the children and increasing their own confidence and skills too. Staff to evaluate the provision from specialist teacher , to identify strengths and areas to develop further. | £9140 | Teaching staff experienced a wide range of physical activities alongside specialist teacher. The teachers were able to further increase their subject knowledge and received planning support too. Progressive skills development clearly taught – staff reinforced this across all their PE lessons. |
| Use specialist teachers to work alongside teachers to formalise assessment procedures; use outcomes to drive improvement in physical activity levels across the school. | 6 days assessment training | £600 | Staff shared their assessment for all classes in KS1 & KS2, supported by specialist teacher. |
| Specialist teacher to facilitate intra-school house competitions in various sports. | All Key Stage 2 children to take part in at least 3 Intra-school House tournaments. Key Stage 1 children to have Intra-school tournaments. | £1270 £770 | KS2 children took part in 5 intra-school house tournaments. This year saw new tournaments in Tag Rugby and Tri-golf. KS1 children were involved in an intra-school tournament too. |
| Children to have opportunities to compete in inter-school competitions in various sports. | Increased participation in SDPSSA / Dartford Games / Kent Games / other inter-school competitions. | £1800 £1200 | Children participated in 10 inter-school competitions, in a variety of sports- this is an increase on the number of tournaments last school year. Our girls finished runners-up in the District Girls football, we were semi-finalists in the District Football and our boys/girls team won the District Athletics competition for the fourth time in 5 years! |
| Providing a broader experience of after-school sports clubs; wider variety of clubs and year groups. | Specialist teacher to run after school clubs in a variety of different physical activities. | £2000 £1520 | Variety of after school clubs, offering physical activities to children in both KS1 & KS2- these included golf, street dance, girls football, Zumba and athletics. |
| Purchasing equipment to offer access to new sports and physical activities. | Purchase equipment and resources linked to the new sports, ensuring sustainability of the activity for future years. | £900 £1380 | Resources purchased for playground games and PE lessons included activity resources for active ‘sensory circuits’. New ‘inclusive resources purchased, such as nets for volleyball and jingle balls for VI team games |

| | | | |
|---|---|------------------------------|--|
| Provide additional swimming provision for pupils not able to meet swimming requirements of National curriculum- all remaining non-swimmers achieve 25m, thus meeting the statutory requirements . | Children to be given opportunity to go swimming for a short programme of lessons in Year 6, to support their meeting 25 metres requirement. Utilise school staff member and coaches based at swimming pool to work alongside staff. | £1200 £1800 | Only a short time this year for these children to meet the requirements-extend in future years for a longer period of time. |
| Increase staff skills through access to training in new physical activities eg: Boccia / Pilates. | Staff to attend training and then support the development of other staff in these new activities. | £600 | Staff attended training in street dance and Pilates. |
| Subject leader to access training and development courses to further their knowledge and range of skills. Teaching support for children with additional needs. | PE subject leader to attend training linked to the above activities. This training will then be used to support the staff further with their skills development. PE subject Leader to attend residential activity week to support child with additional needs in accessing outdoor and adventurous activities. | £490 £990 | SL attended training and PE conference. SL attended Isle of Wight residential week to support a child with additional needs to access all the outdoor and adventurous activities. |
