

<p style="text-align: center;">HIGH FIRS PRIMARY SCHOOL PE PREMIUM PROPOSED SPENDING 2019-20 £24,550</p>			<p>July 2020- end of school year 'actual spend' (The spending had to be re-visited at the end of the school year due to a National Lockdown being in force from March 23rd, only designated year groups being in school and strict social distancing required for PE lessons, within the school class 'bubbles')</p>
School focus and intent	Actions to Achieve	Proposed spend for 2019-20	Evaluation and impact
<p>Use specialist teachers to work alongside our own teachers to engage the children in a variety of physical activities. In doing so, we also want to increase the confidence, knowledge and skills of all staff in teaching PE and sport.</p> <p>Providing a broader experience of after-school sports clubs; wider variety of clubs and year groups.</p>	<p>Staff to teach alongside specialist teachers, engaging the children and increasing their own confidence and skills too.</p> <p>Staff to evaluate the provision from specialist teacher, to identify strengths and areas to develop further.</p> <p>Specialist teacher to run after school clubs in a variety of different physical activities.</p>	<p>£9880 £8660</p>	<p>Teachers taught lessons alongside specialist teacher. Staff learnt many new techniques and skills to support the children with their PE development. Lesson monitoring showed increased confidence of the staff to deliver quality PE.</p> <p>Teachers learnt and developed new skills in teaching 'socially distanced' PE lessons during lockdown (March- July). Due to this the children enjoyed and were still very engaged in a wide range of PE activities, despite the COVID-19 restrictions.</p> <p>A full range of After- School clubs took place in Terms 1,2 &3. Children in various year groups were offered opportunities to experience and enjoy football, netball, gym, golf and dance.</p> <p>Dance club; gym clubs for Year1/2 and Year3/4 were planned for Terms 4 & 5, working on Kent- Steps gym programme. However, a National Lockdown from 23rd March prevented many of the after-school clubs taking place from that date.</p>
<p>Use specialist teachers to work alongside teachers to formalise assessment procedures; use outcomes to drive improvement in physical activity levels across the school.</p>	<p>6 days assessment training – specialist teacher supported class teachers to assess the progress of the children in their classes with each activity.</p>	<p>£750</p>	<p>Assessment lessons planned for the end of each term- class teacher and specialist teacher assessed the children together.</p>

<p>Specialist teacher to facilitate intra-school house competitions in various sports.</p>	<p>All Key Stage 2 children to take part in at least 5 Intra-school House tournaments. Key Stage 1 children to have Intra-school tournaments. Staff to organise new events too in addition to specialist teacher.</p>	<p>£570</p>	<p>Year 5/6 tag rugby and Year 4/5 Boccia and Kurling inter- house took place in Term 2 & 3- all new competitions for the children to take part in, representing their house teams.</p> <p>Inter- house sports hall athletics took place in Term 2 with Year 5&6.</p> <p>Some intra-school house sporting tournaments, such as football, netball, rounders and the KS1 inter class/house tournaments, did not take place due to Lockdown and the need for social distancing within class groups, in any team event.</p>
<p>Children to have opportunities to compete in inter-school competitions in various sports.</p>	<p>Increased participation in SDPSSA / Dartford Games / Kent Games / other inter-school competitions.</p>	<p>£1100 £300</p>	<p>Year 5/6 tag rugby competition, for first time in October. Cross-Country took place too-2 children placed in top 5.</p>
<p>Identify and resource new physical areas for children and staff to develop more physical activities.</p>	<p>New areas of playground/field utilised to increase the children's involvement in physical activities. New initiatives put in place to further improve the daily activities of the children.</p>	<p>£9000 £13420</p>	<p>Ideas for increasing physical activities suggested by staff and children- Sports Captains consulted too. Decision taken to order a 'Daily Mile' track for the outside of the field, for children to use every day for exercise. Budget was able to be met out of 2019/20 budget, as funds earmarked elsewhere on the plan had not been able to be spent due to COVID-19 lockdown restrictions.</p>
<p>Purchasing equipment to offer access to new sports and physical activities, like gymnastics.</p>	<p>Purchase equipment and resources linked to the new sports, ensuring sustainability of the activity for future years.</p>	<p>£850</p>	<p>Purchases included targets & additional equipment for all-inclusive games-boccia and kurling; footballs and netballs; a large gym table.</p> <p>These resources allowed many more children to benefit from playing new, all-inclusive games. Also, the additional gym table gave a new dimension to continue developing the children's gymnastic abilities.</p>

Provide additional swimming provision for pupils not able to meet swimming requirements of National curriculum- all remaining non-swimmers achieve 25m, thus meeting the statutory requirements.	Children to be given opportunity to go swimming for a short programme of lessons in Year 6, to support their meeting 25 metres requirement. Utilise school staff member and coaches based at swimming pool to work alongside staff.	£1800 £0	Swimming provision for Year 6, at end of summer term was unable to take place, as swimming pool was closed for public use.
Increase staff skills through access to training in new physical activities eg: Boccia / Pilates.	Staff to attend training and then support the development of other staff in these new activities.	£600 £0	Possible training for staff planned for Spring Term was cancelled by providers due to COVID-19 concerns. Staff training to be an action in new school year
	Total	£24550	Funding remained unspent due to inability to continue with the installation of a Daily Mile track due to COVID-19 regulations for both the school and for the contractors.
	Funds carried over into 20/21 year	£13,420	The project was therefore put back until early 2021 and the funding was carried over into the new school year.

We use this funding to improve confidence amongst staff in the delivery of high-quality PE lessons across the school; provide a wider range of sporting activities to enhance engagement; organize and participate in competitive sport; to purchase equipment to allow the children to learn new physical activities and ensure children have a very good understanding of healthy lifestyles. We feel this is the most effective and efficient way for the funding to have a long-lasting effect on the children's physical health.

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport
